The daily cost for extended session is \$13.00 per day. Students should be picked up no later than 4:00p.m. Payment for extended session is expected at the time of tuition payment. You are expected to pay for the days you reserve even if your child does not attend due to illness, vacation, or special family event. If a school holiday falls on the days that you are signed up for extended session you do not pay extended session for that day. Extended session payments may change from month to month due to the number of days extended session is offered.
